ANNUAL REPORT

1985

Judicial Department
of
South Carolina

April 18, 1986

TO: The Honorable Richard W. Riley
The Honorable Rembert C. Dennis
The Honorable Robert J. Sheheen
Citizens of South Carolina

RE: Judicial Department Annual Report for 1985

In my State of the Judiciary Address to a Joint Session of the General Assembly last February, I reported that the trial courts in this state are in excellent condition and that significant progress has been made in reducing the number of appeals pending in the Supreme Court and Court of Appeals. The caseload statistics provided in this Annual Report confirm the outstanding progress of our state court system.

A brief discussion of the activity of the Boards and Commissions within this department is included in this Report. Following the caseload statistics for each level of court, the information gathered from our 1985 annual Judicial Survey is summarized. The Survey covers fiscal year 1985-86 and provides personnel and other financial data for the offices of Clerk of Court, Probate Judge, Master-In-Equity, Public Defender, Magistrate and Municipal Judge.

Respectfully submitted,
J. B. Ness
CHIEF JUSTICE

THE JUDICIAL SYSTEM GENERALLY

The judicial system of South Carolina is composed of the courts, the prosecution, and the defense components. The court system is comprised of the Supreme Court, the Court of Appeals, the Circuit Courts, the Family Courts, the Magistrate's Court, the Municipal Courts, Probate Courts, and Masters-In-Equity. The prosecutorial system is made up of the circuit solicitors and the Attorney General's Office. The defense component includes public defender corporations, court appointed counsel, retained counsel, and the Office of Appellate Defense.

THE SUPREME COURT

The State's highest tribunal is the Supreme Court. The Court has both original and appellate jurisdiction, but generally acts only in its appellate capacity. When the Court of Appeals was activated on September 1, 1983, the Supreme Court reserved exclusive jurisdiction over cases on certiorari from the Court of Appeals and five classes of appeals directly from the circuit and family courts. The five classes are cases involving (1) the death penalty, (2) public utility rates, (3) significant constitutional issues, (4) public bond issues and, (5) the election laws. Other appeals from the circuit and family courts are still apportioned between the Supreme Court and Court of Appeals. The Supreme Court renders decisions based on lower court transcripts, briefs, and oral arguments. In addition to hearing and deciding cases, the court also has rulemaking authority for the unified judicial system and controls admissions to and disciplining of the South Carolina Bar. The Supreme Court is composed of a Chief Justice and four Associate Justices who are elected by the South Carolina General Assembly for terms of ten years. The terms are rotated and a justice may be reelected to any number of terms. (See Article V of the South Carolina Constitution.)

THE COURT OF APPEALS

The Court of Appeals was created to hear most types of appeals from the circuit court and the family courts. Exceptions are when the appeal falls within any of the five classes listed above, or when the appeal is certified for determination by the Supreme Court.

The Court of Appeals is the judicial system's newest court, commencing operation on September 1, 1983. It consists of a Chief Judge and five associate judges who are elected to staggered terms of six years each. The court sits either as two panels of three judges each or as a whole, and it may hear oral arguments and motions in any county of the state.

THE CIRCUIT COURT

The Circuit Court is the State's court of general jurisdiction. The Circuit Court is divided into a civil court, the Court of Common Pleas, and a criminal court, the Court of General Sessions. In addition to its general trial jurisdiction, the Circuit Court has limited appellate jurisdiction over appeals from the Probate Court, Magistrate's Court, and Municipal Court. The State is divided into sixteen judicial circuits. Each circuit has at least one resident circuit judge who maintains his office in his home county within the circuit. There are thirty-one circuit judges serving the sixteen circuits, comprised of the state's forty-six counties, on a rotating basis, with court terms and assignments determined by the Chief Justice based upon recommendations of Court Administration.

THE FAMILY COURT

The uniform statewide Family Court system was established by statute in 1976. The Family Courts have exclusive jurisdiction of all matters involving domestic or family relationships. (Section 20-7-420.) Pursuant to this provision, the Family Courts are the sole forum for the hearing of all cases concerning marriage, divorce, legal separation, custody, visitation rights, termination of parental rights, adoption, support, alimony, division of marital property, and change of name. The courts also generally have exclusive jurisdiction over minors under the age of seventeen alleged to have violated any state law or municipal ordinance. However, most traffic and fish and game law violations are still triable in the magistrates or municipal courts. Serious criminal charges may be transferred to the Circuit Court.

The Family Court follows the territorial boundaries of the sixteen judicial circuits with forty-six judges who rotate primarily from county to county within their resident circuit but also to other circuits based upon caseload requirements as directed by the Chief Justice of the Supreme Court.

THE MAGISTERIAL COURT

There are approximately 315 magistrates in South Carolina, ranging from 2 to 22 per county. They are appointed by the Governor upon the advice and consent of the Senate, with terms ranging from two to four years. (South Carolina Constitution Article V, Section 23.) Magistrates have criminal trial jurisdiction over all offenses which are subject to the penalty of a fine not exceeding $200.00 or imprisonment not exceeding 30 days. (Section 22-3-550.) In addition, magistrates are responsible for setting bail, conducting preliminary hearings, and issuing arrest and search warrants. Magistrates have civil jurisdiction when the amount in controversy does not exceed $1,000. (Section 22-3-10). However, in Landlord-Tenant matters and cases of bastardy their jurisdiction is not limited by a dollar amount. (Section 22-3-10, subsections (10) and (12).)

THE MUNICIPAL COURT

Act 480 of 1980 substantially changed the municipal courts of this state. It established a uniform system of municipal courts to be part of the unified judicial system. The act repeals by implication all statutes which created different types of municipal courts not established in conformity with the new system (e.g., Mayor's and Recorder's Courts).

Municipal Courts have no civil jurisdiction, but have criminal jurisdiction over all state offenses and municipal ordinances subject to a fine not exceeding $200 or imprisonment not exceeding thirty (30) days, or both, and which occur within the municipality. (Sections 14-25-45 and 14-25-65). The term of a municipal judge is set by the council of the municipality, but cannot exceed four (4) years. (Section 14-25-15)

THE PROBATE COURT

Each county in South Carolina has a popularly elected Probate Judge who serves a four-year term. Probate courts have jurisdiction over estates of deceased persons, guardianships of minors and incompetents and involuntary commitments to mental institutions. (Title 14, Chapter 23.)

MASTER-IN-EQUITY

Act 164 of 1979 established the current Master-In-Equity system. The master is appointed by the Governor with the advice and consent of the General Assembly for a term of four years. The master may serve in a full or part-time capacity and is compensated by the County Governing Body. The Master-In-Equity has jurisdiction in equity matters referred to that court by the Circuit Court. The master has the power to hear all motions and to make orders thereon, to extend the time to answer a demurrer, to grant leave to amend pleadings and to admit new parties, to appoint guardians ad litem for infants, to enter final judgments in limited circumstances and to conduct sales. There are twenty Masters-In-Equity currently sitting. Final orders based on reports of masters are executed by circuit judges except where the master enters final judgment under limited circumstances. Appeals from final judgments entered by a master are to the Circuit Court unless otherwise directed by order of the Circuit Court or by consent by the parties.

SOUTH CAROLINA COURT ADMINISTRATION

The Office of South Carolina Court Administration was established in 1973 pursuant to the new Judicial Article, Section 4, Article V, South Carolina Constitution, which provides that the Chief Justice shall appoint an Administrator of the Courts and such assistants as he deems necessary to aid in the administration of the courts of the State. The State Court Administrator serves as the Director of the Office of South Carolina Court Administration. It is the administrative arm of the Chief Justice in his capacity as the administrative head of the State Judicial System.

The concept of an Office of Court Administration was developed throughout the nation with the idea that courts have reached the point where they require the use of sound business management methods in carrying out their responsibilities as part of the judicial branch of government. All fifty (50) states and the Federal Court System currently have an Office of Court Administration or its equivalent.

The Office of South Carolina Court Administration engages in a wide range of responsibilities and duties. These activities are as follows:

1. Recommends to the Chief Justice the scheduling of terms of Circuit Court and the assignment of judges to preside over these terms.
2. Recommends to the Chief Justice the scheduling of terms of Family Court and the assignment of judges to preside over these terms.
3. Supervises the administration of Circuit Courts, Family Courts, Probate Courts, Masters-In-Equity, Magistrates, and, to a limited degree, Municipal Courts, as well as the support personnel related to these courts such as Clerks of Court and Public Defenders.
4. Extensive caseload information and activity statistics are collected on the operation of the Circuit Courts, the Family Courts, Probate Courts, Magistrate Courts, Municipal Courts, and Masters-In-Equity.
5. The office provides assistance to individual courts in calendar management, jury management, and recordkeeping. Such assistance is provided at the request of the individual trial courts or at the initiation of the Office of South Carolina Court Administration when problems come to its attention.
6. Serves as a clearing house of new studies and reports in the field of judicial administration and reform.
7. Makes recommendations to the Chief Justice on administrative or procedural rules being considered for adoption and analyzes the potential effect of such proposed rules on the system.

8. Supplies reports and documents to the legislature, appears before legislative committees, and drafts proposed legislation with the aid of advisory committees and others.
9. Conducts the mandatory judicial education programs for summary court judges including orientation schools for new judges and regional schools on specific subject matters.
10. Administers the Defense of Indigents Fund and the Judicial Commitment Fund.
11. Coordinates with and assists, when requested, the Judicial Standards Commission and the Office of the Director of Accounting and Personnel of the Judicial Department. Serves as liaison between the Judicial Department and other agencies of state government such as the Office of the Attorney General, the Department of Youth Services, State Law Enforcement Division, the Office of the Governor, and others. As State Court Administrator, the Director is a member of the Governor's Committee on Criminal Justice, Crime and Delinquency, the Court Modernization Committee of the South Carolina Bar, and the National Conference of State Court Administrators. Representatives of the office serve on various other committees with the Judicial Department and state government.
12. Serves as secretariat to the Judicial Council and the Appellate Defense Commission.
13. Carries out such additional duties as assigned by the Chief Justice of the State Supreme Court.

The foregoing enumerates a wide area of activity which involves various specific duties. The role of the Office of Court Administration has been an expanding one as the constitutional mandate of judicial reform and the establishment of a unified statewide judicial system has been carried forward.

OFFICE OF THE DIRECTOR OF FINANCE

This office is directly responsible to the Chief Justice for the internal fiscal operation of the Judicial Department. In addition to budgetary planning and operation, all personnel matters, payrolls and purchasing are the responsibility of this division. The State provides total funding for the operation of the Supreme Court, the Court of Appeals and Court Administration. The State also funds the salary of the circuit and family court judges, their law clerks, secretaries, and court reporters as well as related equipment and supplies. County governing bodies are responsible for providing facilities for the operation of the Circuit, Family, Probate, Magisterial Courts, and Masters-In-Equity. All other personnel are funded by county governing units. One quarter of all fines, forfeitures, and other revenues generated by the circuit and family courts are paid into the State with the balance going to the local governing bodies. All magisterial court fines and forfeitures and civil filing fees are paid to the local governing body. There are limited exceptions to this when certain fines are directed to specific agencies.

DEFENSE OF INDIGENTS

The appropriated funds are used to provide legal representation for indigent defendants in criminal proceedings. Funds are disbursed to public defender corporations, in those counties having such a corporation, on a monthly basis. In counties having no public defender corporation, payments are made directly to court appointed counsel where indigency has been determined. The program is monitored by the Office of Court Administration with recommendations to the Supreme Court for necessary rule changes and improvements.

In Fiscal Year 1984-85 (July 1, 1984-June 30, 1985) $1,035,303 was appropriated to the Defense of Indigents Program. From this appropriation, each county was apportioned an amount at the rate of $331.91 per one thousand population, based on the official United States Census for 1980. These individual allocations are for the use of the public defender corporations, in those counties which have them, and for the fees of appointed counsel in those counties which do not have defender corporations. There is also a statewide Defense Fund, for the payment of certain necessary expenses incurred in indigent defense, such Fund being available to both public defenders and appointed counsel.

Below, are the funds appropriated to those counties without public defender corporations during Fiscal Year 1984-85, for the payment of fees of appointed counsel, and the expenditures from those funds during the fiscal year.

County	*Appropriated*	*Expended*
Clarendon	9,118.65	7,428.25
Fairfield	6,872.87	4,391.12

Public defender corporations, in those counties which have established them, in addition to the monthly disbursements from the State appropriated Defense of Indigents Fund, are partially subsidized by the individual counties, and by other available Federal funds.

The Defense Fund, for certain necessary expenses, was appropriated $195,000 in Fiscal Year 1984-85. The total expenditure in this category was $129,104.

JUDICIAL COMMITMENT ACT

The sums appropriated by the state legislature are used to provide designated examiners, legal representation, and court reporters involved in involuntary mental commitment proceedings brought in the Probate Courts of this State. This fund is administered by the Office of South Carolina Court Administration which monitors performance and needs.

THE CLERKS OF COURT

Each county in South Carolina has a popularly elected Clerk of Court who serves a four-year term. The Clerk of Court serves the Circuit and Family Court Systems as they operate in each county. Duties of the clerks extend in both civil and criminal areas: receiving criminal warrants and forwarding them to the solicitor; receiving bail; assembling trial lists; performing courtroom duties; handling jury-related matters; receiving fees, fines and costs; maintaining all court records; and handling reporting requirements. In 41 of the 46 counties, the clerk serves as the Register of Mesne Conveyances and thus keeps all records required by the recording statutes. All funding of clerks of court for staff, office space, and equipment is a county responsibility (Section 14-17-10, et. seq.), with the exception of a limited state salary and support personnel supplement.

THE PROSECUTION

By constitutional provisions, the Attorney General is the chief prosecutor of the State. (South Carolina Constitution, Article V, Section 20.) The Attorney General, besides acting as the State's chief prosecutor, also represents the State in civil litigation, and issues opinions regarding the interpretation of law. (Title 1, Chapter 7.)

Prosecution in circuit court is carried out by a circuit solicitor and his assistants. In addition, a solicitor, if directed by the Attorney General, may represent the State in a civil proceeding.

THE DEFENSE

An accused in South Carolina, when unable to retain counsel due to financial inability, may request the court to appoint counsel upon proof of indigent status. Such public defense may be by public defender or by appointed counsel, upon designation by the court. The fees (within maximum limits) and expenses are paid to appointed counsel, upon application for reimbursement by voucher to the Office of Court Administration out of a special fund established by the legislature for such purposes. Once an appointment is made, the attorney must represent the accused through trial, but he may be permitted to withdraw for good cause. The attorney serves without pay once the special fund is exhausted, unless the county provides additional funds. Also, attorneys in counties having public defender corporations may not have fees paid from the special fund, but must seek payment from other sources. Presently there are 38 public defender corporations established to provide services in 44 counties with the funds for these programs supplied from the Defense of Indigents program funds. State law allows multi-county defender corporations, but only three such corporations have been formed. The Office of Appellate Defense operates under the direction of the Appellate Defense Commission and handles all criminal indigency appeals.

BOARDS AND COMMISSIONS

BOARD OF COMMISSIONERS ON GRIEVANCES AND DISCIPLINE

The caseload of the Board of Commissioners on Grievances and Discipline increased so dramatically that the prior rule was revised by Order of the Supreme Court dated January 17, 1983.

Every grievance received by the Board is reviewed by the Chairman; he may dismiss the grievance for lack of merit, refer it to another Commission which may best suit the needs of the Complainant such as the Fee Disputes Committee, or the matter may be assigned for investigation by a member of the Commission from the circuit where the attorney complained about resides. Due to the increase in grievances, there are eight Associate members appointed for investigating only, besides the twenty-five full Commission members. When an investigative report has been filed by a Commission member, the matter is then scheduled for review by the Executive Committee. The Executive Committee is made up of five of the Commission members and meets monthly.

If the Executive Committee finds no merit to the grievance, the matter is dismissed. If the Committee finds probable cause that a violation of the Code of Professional Responsibility has occurred, the matter is referred to the Attorney General's Office and formal charges are brought by way of a Formal Complaint against the attorney. The matter is then set for a hearing by a three member panel made up of members of the Commission. Sixty days after the hearing the panel must submit a report of their findings of fact, conclusions of law, and a recommendation as to what sanction they feel should be imposed on the attorney for the violation. The entire matter is then reviewed appellately by the Executive Committee, the Executive Committee makes an independent recommendation as to sanction, and the matter is thereafter certified to the Supreme Court for their review and final disposition.

All proceedings before the Board of Commissioners on Grievances and Discipline are confidential.

A statistical summary is set forth on the following page. This summary differs from previous years because a log is now kept of all inquiries being considered. Previously, only those forwarded for formal investigation were used for statistical purposes. The present method is a more accurate accounting of the case load of the Board of Commissioners on Grievances and Discipline.

THE BOARD OF COMMISSIONERS ON JUDICIAL STANDARDS

The Supreme Court, under the authority vested in it by Article V of the South Carolina Constitution, issued Supreme Court Rule 34 entitled Rule on Judicial Discipline and Standards, which provided for the formation of the office of the Board of Commissioners on Judicial Standards, and also sets forth its area of responsibility and duties. The Judicial Standards Commission office commenced operation November 1, 1976. This Board, now composed of seven judges and two lawyers, was formed to accept from complainants their grievances against South Carolina judges and to make any necessary inquiry to determine if a judge has violated the Code of Judicial Conduct or has acquired any physical/mental disability of a permanent nature which might affect his ability to perform his official functions.

Rule 34 also provides for the appointment of nine Hearing Masters by the Supreme Court. If, after a preliminary investigation by the staff determines that probable cause exists and a hearing is scheduled by the Board, three Hearing Masters are selected by the Supreme Court to hear the case against the respondent judge. They have the duty of reporting their findings of fact and conclusions of law with respect to the issues presented by the complaint and answer.

After reviewing the record and this report by the Hearing Masters, the Board has the authority to make their own findings or concur with the Hearing Masters. They then have the duty of recommending any disciplinary action back to the Commission for certification to the Supreme Court, which makes the final decision in the matter, and at that time it will become a matter of public record, if a public reprimand or suspension is ordered.

The Examiner for the Board, an Assistant Attorney General, is appointed by the Supreme Court.

The office staff is composed of an Executive Secretary and an Administrative Assistant whose duties are to accept from the public, or other sources, grievances against judges and to make an initial inquiry in order to present the facts to the Board at their regular meetings. The office staff also performs the usual duties of maintaining files and records of the Board. The Executive Secretary also conducts any investigation requested by the Board.

The following is statistical data reflecting cases received and disposed during 1985.

Analysis of Data:

Some brief conclusions can be drawn upon examination of the above grievance data:

(1) Over 80% of all grievances were either obviously unfounded, there was no evidence of misconduct, there was lack of jurisdiction or they were appellate matters. Grievances of the latter type came from dissatisfied litigants who had accused the judge of partiality or disregard of the law in the case, but who points to no substantiating evidence of misconduct. Such persons were advised of the proper appellate remedy.

(2) Many grievances were received from litigants in divorce or custody matters and from civil and criminal defendants. A common assertion made was that the judge failed to give the parties a fair hearing in the case or was arrogant and rude. Judges might profitably reexamine their attitude and demeanor toward lawyers and litigants and, where necessary, take more care to arrive at sound judgments, make their decisions and explain the reasons for their rulings with as little display of personal feeling as possible.

Action Taken In The Reporting Period (January 1, 1985 through December 31, 1985)

The Commission did not experience the tremendous increase in requests for investigations during 1985, as occurred during 1984, when there was nearly a 100% increase in the number of complaints compared to 1983. There was, however, a fifteen percent increase during 1985 over 1984. The number of complaints against magistrates continued to lead, as expected, due to the numer of active magistrates; however, the number of complaints against circuit court judges decreased and family court judges showed the largest percentage of increase. Family court complaints increased from nineteen to twenty-four.

Numerous general questions regarding the function and discipline process of the Commission were also answered on a continued basis by telephone calls or personal visits to the office.

Members of the Commission made three presentations during the year during Magistrates' orientations.

BOARD OF LAW EXAMINERS

Section 4 of Article V of the Constitution provides that the Supreme Court shall have jurisdiction over the admission of persons to the practice of law and, pursuant to this provision, the Court has appointed a Board of Law Examiners whose responsibility it is to determine whether or not the applicants possess the necessary legal knowledge for admission. In addition, the Court has appointed a Committee of five attorneys to determine whether the applicants possess the character and fitness for admission.

The bar examination consists of a multistate examination as given by the National Conference of Bar Examiners. This is a machine graded examination that is given in 41 states on the last Wednesday in February and July each year. In addition to the multistate examination, the examiners prepare questions and test the applicants on additional subjects. The essay portion of the examination is given on Thursday and Friday following the multistate examination. Each examiner grades his own questions and the scores are combined for an average and then forwarded to the National Conference of Bar Examiners to be combined with multistate grades.

The Clerk of the Supreme Court serves as secretary to the Board of Law Examiners, and the administrative work in connection with bar admissions is the responsibility of the Clerk.

CONTINUING LEGAL EDUCATION COMMISSION

The Supreme Court of South Carolina adopted in 1976 a rule which required mandatory continuing legal education for all judges within the state judicial system with the exception of the magisterial judges. Each judge is required to complete a minimum of fifteen (15) hours of legal education each calendar year. Such training may be acquired by in-state or out-of-state programs which are approved by the Commission. The Commission is composed of a Justice of the Supreme Court, two Circuit Judges, one Family Court Judge, one member of the University of South Carolina Law School Faculty and two members of the Bar of South Carolina. The Continuing Legal Education Program of the South Carolina Bar provides secretariat services to the Continuing Legal Education Commission for the Judiciary.

COURT OF GENERAL SESSIONS

Filings and Dispositions

The Court of General Sessions is served by 31 Circuit Court judges who sit during terms of court set by the Chief Justice. The judges rotate among the 16 judicial circuits which include all 46 counties in South Carolina. When judges are not presiding over the Court of General Sessions they are used in the Court of Common Pleas.

During 1985 the Court of General Sessions received a moderate percentage increase in new indictments filed as compared to 1984. The number of dispositions actually dropped one percent from a year earlier. Nonetheless, as has been the case since 1983, more indictments were disposed than were filed during the year. As a consequence, the number of pending indictments is at its lowest level in eight years at 4,188.

The report on the following pages shows, for each circuit and county, the number of filings and dispositions during the year.

COURT OF GENERAL SESSIONS

Age Of Pending Indictments

While the number of indictments still pending at the end of 1985 was slightly less than a year earlier, the courts maintained the 1984 level of 73% of the indictments being aged 180 days or less since the date of arrest. By adminstrative order of the Chief Justice, all indictments aged more than 180 days from the arrest date must be given priority attention by the courts. Nearly one-third of the indictments pending more than 180 days are on contingent docket or involve a defendant participating in a pretrial intervention program.

The report on the following page shows, for each circuit and county, the number of indictments pending as of December 31, 1985, and the number of cases in each of the various age categories.

COURT OF COMMON PLEAS

Filings and Dispositions

Not since 1979 has the Court of Common Pleas realized a greater increase in the number of cases filed during a calendar year. In 1979, the caseload of the county courts was transferred to the circuit courts, resulting in a 30% increase over the previous year's filings. However, during 1985, the 5,631 case increase reflects an actual increase of real filings since none of those cases were transferred from other courts; the increase measures 13.5% over the filings for 1984.

A record number of civil cases were disposed during 1985. The 45,389 dispositions is 6.7% more than the number of cases disposed during 1984 and surpasses the previous all-time high set during 1983. The large number of dispositions however, failed to match the even higher number of filings, and the result is that the number of cases pending at the end of 1985 rose to 21,037.

In the report which follows on the next pages, the number of cases filed and disposed during 1985 is listed by circuit and by county.

COURT OF COMMON PLEAS

Age of Pending Cases

The Courts of Common Pleas maintained the excellent status of their dockets as reflected by the age of the cases pending at the end of the year. In spite of the large increase in filings during 1985, by the end of the year 97% of the cases were aged 1 year or less. Although this appears to be a 1 percentage point drop from the end of 1984, the actual change was from 97.7% to 97.5% during 1985. The success of disposing of nearly every common pleas case within one year of filing is due in large part to an administrative policy of the Chief Justice which requires the courts to give priority attention to all cases aged more than one year from the date of filing.

During 1985, there were 20 counties which had established offices for the Master-In-Equity; approximately half of those counties employ a Master-In-Equity only on a part-time basis. Reliable caseload statistics for the Master-In-Equity Court is not available for prior years. Listed below are the number of cases filed and disposed in each of the twenty Master-In-Equity Courts during 1985.

FAMILY COURT

Filings and Dispositions

There are 46 family court judges who rotate among the 16 judicial circuits as assigned by the Chief Justice of the Supreme Court.

The significant increases in family court filings in 1983 and 1984 eased somewhat during 1985. Filings had increased 14% during 1983-1984 but actually decreased nearly 1% during 1985. Nonetheless, filings last year totaled 61,824 which is the second largest number of case filings since the family court system was created.

Similarly, disposition totals in the family courts had increased dramatically during 1983 and 1984, but posted a 3% decrease during 1985. Still, 61,930 family court cases were disposed during the year.

The report which follows lists for each county and circuit the number of domestic relations and juvenile cases filed and disposed during the year.

FAMILY COURT

Age of Pending Family Court Cases

The administrative policy of the Chief Justice, which requires family courts to focus attention on those pending cases aged more than 6 months from date of filing, helped maintain the large percentage of cases pending less than 6 months. That percentage only dropped from 91.9% at the end of 1984 to 91.3% at the end of 1985.

The two year trend of decreases in the total number of pending cases was interrupted in 1985 as the total actually increased by 0.5% or 81 cases.

The age of pending cases report follows on the next several pages and measures, for each circuit and county, the number and percent of cases pending in various age categories.

PROBATE COURT

Filings and Dispositions

Every county has its own probate court which exercises jurisdiction over the estates of deceased persons, guardianships of minors and incompetents, and involuntary commitments to mental institutions. During 1983 all 46 probate courts were introduced to the statewide uniform docketing system and caseload filings and dispositions have been computer tabulated beginning with calendar year 1984. During 1985, 17,825 estate cases and 1,878 guardianship/committeeship cases were filed; 14,792 estate cases and 2,296 guardianship/committeeship cases were disposed.

Two county-by-county reports follow on the next page. The first measures the caseload of estates; the second, guardianships and committeeships.

MAGISTRATE COURT

Filings and Dispositions

South Carolina's 315 magistrate courts handle more cases than any other level of court; during 1985, 55% of all dispositions were in the magistrate courts.

For the past ten years, filings and dispositions have remained relatively constant, with year-to-year fluctuations seldom exceeding 6%. Caseload totals for the entire year of 1985 indicate slight increases from the 1984 figures: 613,282 cases were filed (up 0.3%) and 612,180 were disposed (up 0.3%). Over the past three years traffic cases in magistrate court have consistently accounted for two-thirds of the total, with the remaining third split nearly evenly between civil (17.7%) and non-traffic criminal (17.1%).

A large majority of criminal cases (traffic and non-traffic) result in convictions: 93% were convictions, 3% were non-convictions and 4% were either dismissed or transferred. A closer look at the distinctions between traffic and non-traffic cases reveals that dispositions by bond forfeiture is more prevalent in traffic cases than in non-traffic cases (59% to 27%, respectively) and bench trial convictions are more likely in non-traffic cases than in traffic (50% to 37%, respectively).

The report provided on the pages that follow lists for each magistrate and county the number of cases disposed during calendar year 1985. Criminal and traffic dispositions are further broken down into the type of disposition.

MUNICIPAL COURT

Filings and Dispositions

The collection of caseload information on municipal courts began in 1980 and the large increase in cases reported during 1981 is due more to a new information system than to any significant change in caseload. During 1985, the filing and disposition totals have shown increases of nearly 5%.

Traffic cases account for nearly two-thirds of the case filings in municipal courts. The remaining third is split almost evenly between non-traffic cases and municipal ordinance violations.

Regarding case dispositions, a large majority, 69.2%, of the cases are disposed by bond forfeiture or other administrative action. Jury trials are conducted for nearly 1% of the cases and non-jury or "bench" trials are conducted for 30%.

1985 ANNUAL JUDICIAL SURVEY

Each year the offices of the Clerks of Court, Probate Courts, Masters-In-Equity, Public Defenders, Magistrates and Municipal Courts are required to provide South Carolina Court Administration a survey response describing the personnel and operating costs and the revenues collected by each office. For 1985, the costs for operating each office are taken from the amounts appropriated by the counties for each office for fiscal year 1985-86. The revenues collected reflect the amounts actually collected during fiscal year 1984-85. The survey was taken during October, 1985.

For each type of office, a chart and graph illustrates the annual increases in costs and revenues for the four fiscal years from 1982-83 through 1985-86. The county-by-county tabulation of the surveys of each office follows. Within that tabulation, a statewide ranking is provided based on the number of full time employees, total budget and, where applicable, total revenues collected. Whenever two or more counties share a ranking, the rankings are then calculated alphabetically. For example, both the Aiken and Lexington Clerks' offices have 17 full time employees; Aiken is ranked 6th and Lexington is ranked 7th.

The costs for operating the other offices within the judicial system are provided for in the State Appropriations Act and are not included in this survey.
